

# Facial & hair mists

*and reasons to include them at your skin & hair care routine*

Face mists deliver an **instant hit of hydration and mood-boosting benefits**, with ingredients like vitamins, extracts, and/or essential oils.

Some have **additional skin care benefits** like **calming stressed skin**, and offering **anti-aging properties**, leaving **your skin feeling refreshed**.

**Hair mists provide daily protection**, as well as **nutrition and hydration**, protecting hair from pollution and avoiding color fade.

# Bright & balancing skin mist

LÚCUMA  
&  
YACÓN

## COBIOBRIGHT

BRIGHTENING & LUMINOSITY

Extracted from the pulp of *Pouteria Lucuma fruit*, an exotic fruit from Peru, **COBIOBRIGHT** is **food for the skin**. With **antioxidant & anti-tyrosinase activity**, this mist provides instant protection, gloss and luminosity.

## COBIOBALANCE

SKIN MICROBIOTA BALANCER

The *Yacon juice extract* in **COBIOBALANCE** provides this mist with **prebiotic properties**, to restore the **healthy skin microbiota**.

It is a perfect synergy that you cannot miss in your daily routine.

# Detox hair mist

MORINGA

## COBIOPURE

This mist immediately protects & refreshes hair, when needed.

Its secret: contains a **delicious Moringa oleifera leaf extract** grown in Paraguay, antioxidant, anti-inflammatory, and environmental protector.

When sprayed onto roots and lengths, **COBIOPURE** is able to modulate the **hair Radical Status Factor (RSF)**.

Hair regains its freshness and volume for a healthy hair sensation at all times.

# Formulation Guidelines
